## **General regulations**

### **1. Competition Rules and Eligibility**

The meeting is governed by the rules, laws and anti doping rules of the German swimming federation (DSV).

The swimmers of all clubs affiliated with the DSV or any foreign clubs whose national swimming federation is affiliated with the World Aquatics are authorized to take part in this competition.

All handicapped swimmers who can show a proof of their classification underlie the rules of both DSV and DBS as well as the rules of the IPC. Also, they have to show a proof for medicine according to anti doping rules.

The nominating club guaranties that the health of its swimmers meet the requirements for competitive sports.

Swimmers age 8 to 10 years are only allowed six starts per day according to the protection of children and young people. This is inclusive for final and relay. The clubs take the responsibility for this.

### **2. Privacy Policy**

The organizer processes personal data provided by the clubs/starting groups for this competition in the context of the notifications. The data is used for the preparation of a registration result, for the preparation of minutes, the posting of the results, for the award ceremony, for the creation of certificates, record lists, leaderboards as well as for publication on the Internet (live timing, protocol files, event homepage, association homepage, DSV-portal).

Before, during and after the competition event, this data will also be used for correspondence with the reporting clubs/starting groups, for media coverage and for communication with the swimming federations. Photos, film recordings or mechanical duplications taken during the event may be taken without compensation claims of the respective participant or his legal representative by the organizer and authorized third parties such as media and sponsors.

Unauthorized third parties have no access to the stored personal data. The data is stored and used by organizers, organizers and commissioned service providers for as long as they are necessary for their purpose. By submitting the notifications, the clubs / starting communities agree to the storage, processing and use of personal data for all registered participants. In the case of underage participants, the reporting clubs / starting communities are responsible for the consent of a legal representative. Each participant or his legal representative can object to the storage, processing and use of personal data in whole or in part at any time in writing to the organizer and request their deletion. Possible consequences result from the competition regulations of the German Swimming Association.

### **3. Description competition pool**
